Action Against Hunger is a non-governmental, non-political, non-religious, non-profit organization that was created in 1979 in France. Its aim is to save lives by combating hunger, physical suffering and the associated distress that endanger the lives of vulnerable children, women and men in over 40 countries worldwide.

Action Against Hunger South Caucasus has been present in the region since 1994. Currently the strategies in the region center on supporting vulnerable households for the improvement of their socio-economic conditions and increased livelihoods security, resilience and sustainability. Strategies include the provision of technical and financial assistance for the establishment of agricultural cooperatives and agricultural training centers, the development of small and medium enterprises in agricultural and non-agricultural sectors as well as the transfer of participatory methodologies for fighting unemployment and mitigating the impact of disaster .
